

School Council Take-Over! **Newsletter: 18th March 2019**

By Mia, Fud, Ousman & Nazar (Year 6) and Maddison, Kayden-Lei & Makonnen (Year 5)

Primary Parliament

Last week, Year 5 School Councillors went on the tram to the Council House on Old Market Square to meet a City Councillor called John and other School Councillors from around Nottingham. We sat with children from Mellors Primary School and we made presentations, drawings and paintings about growing fruit and vegetables at school to help people be healthy. We also went to the top floor of the library and helped to put down our ideas for what should be done to make it a great place for children.

Red Nose Day

On Friday we had non-uniform day. In assembly, Miss Froggatt showed us a song about putting a red nose on which was really good. We also watched a video about a boy who was a refugee. The boy's friends moved from place to place but he is still a refugee. The day was to raise money for people who didn't have a lot of things or even a home. Some of the money goes to people who are affected by war. The total raised in our country was £63,548,668 – we are still counting our money to add to that!

World Book Day

The week before we had World Book Day to celebrate all of the books we have been reading. The teachers took a "shelfie" and we had to guess which book shelf belonged to which adult. When we saw Miss Froggatt's shelf, we all knew it was hers because there was a picture of her daughter! We would recommend these books to other children:

- Anything by Anthony Horowitz (Fuad) - There's a boy in the girl's bathroom (Kayden-Lei)
- Anything by Roald Dahl (Ousman) especially Charlie & the Chocolate Factory (Maddison) and The Witches (Makonnen) - Dork Diaries (Nazar)
- Diary of a Wimpy Kid or Children's Shakespeare (Mya)

Year 6 Easter School

We think this is a great idea. If you have all of the Easter holiday off you won't remember things when you come back to school but if you do come, you'll be ready for your SATs. If your parents work, Easter School is better than sitting at your Nan's watching tv. The activities are more interesting than "sitting down work" too!

Breakfast Bagels

The school have started giving us bagels on the playground before school. This is good because if you haven't had breakfast you can still be ready for school! They are tasty too.
