END OF SCHOOL DAY

Thank you to the majority of parents who are on time to collect from Nursery at 3pm and main school at 3.15pm each day. This means that staff can get on with preparing for the next day, go to their training meetings or get home to pick up their own children on time. We understand that sometimes there are hold ups. If you find you are going to be late to pick up your children, please make a quick phone call to let the school office know. Families who are always late for pick up need to be aware that school will begin to charge for childcare after May half term.

CHICKENPOX

Younger children have suffered an outbreak of the common childhood illness “Chickenpox” over the last two weeks. Chickenpox starts with itchy red spots anywhere on the body. Over a week or so the spots spread, fill with fluid and burst as blisters. You don’t normally need to see a doctor – the pharmacist at the Chemist can help without an appointment. Children must not come into school if they have chickenpox as it spreads very easily. They can return to school once the blisters have all scabbed over. Google “NHS chickenpox” for more info.

WELL DONE TO YEAR 6!

We were all very proud of Year 6 pupils last week, as they completed their six National Tests (SATs). Every child showed confidence and positivity as they tackled Spelling, Grammar, Reading, Arithmetic and Mathematics papers. These tests are used to measure how well our school is doing, but also by secondary schools to set targets for GCSE grades. With such great attitudes, we know our Year 6 pupils will have done themselves proud!

Mr Gray, Miss Froggatt and Miss Moore

CONGRATULATIONS TO MISS NOCK

Miss Nock’s Year 4 Bronte Class were excited to be the first to hear her family news at the end of last week... Miss Nock is expecting her first baby in the autumn! The school wishes her good health and lots of luck over the coming months.

CADBURY NURTURE GARDEN SALE

Cadbury Class have been busy creating a garden themed sale to raise funds for our Nurture group. Look out for them after school on Tuesday, Wednesday and Thursday this week!

Mrs Bradford

DONATION THANKS

Thank you to Wickes on Queens Drive who gave the school a huge discount on materials needed to replace the children’s planting boxes in our Forest School. We are also very grateful to Miss Mousley’s partner who has donated his time to take away the old planters and install the new ones!

Mrs Walker

HEALTH WARNING

Families are alerted to the dangers of the fake tongue piercings craze. Queens Medical Centre have recently dealt with very serious medical injuries caused when these have been accidentally swallowed by children.

Diary Dates: Summer 2018

Date	Year Group	Time	Event
Monday 21 st May	Y1, 3 & 5	PM	Spanish Afternoon
