

## Newsletter: 3<sup>rd</sup> February 2020

### Road Safety

Last month, Years 3 – 6 took part in the Nottingham City Schools Road Safety Quiz. There were three areas that Victoria Primary School Children didn't know that well:

- 1) Wearing bright colours means drivers can see you
- 2) Crossing between parked cars means drivers cannot see you
- 3) White lights on the back of a car show it is going to move backwards.

It would be a good idea to chat with your child about this the next time you are walking with them!

### School Safety

A reminder that families are not allowed to enter school through the car park and delivery area. We have had "near misses" not just with children and cars but also with delivery lorries so please do keep yourselves and your children safe by using the correct gates.

### Mrs Russell

Year 3 class teacher Mrs Russell is still not well enough to be in school following a long illness. She is missing everyone and wanted to say "hello!" to everyone and to pass on her love to you all on the newsletter this week. Miss Grieve will continue to be the class teacher for Year 3 Brunel until Mrs Russell returns.

### Childminder Meeting

Mrs Adams (Assistant Head) is looking forward to welcoming our children's childminders to school this Friday morning. The school and childminders are working together to make sure that children who go between the two have an experience which is supported by good systems and relationships. If you are a childminder of children at Victoria Primary School, you are very welcome to join the meeting – just come to the office at 9am or speak to Mrs Adams in advance.

### Safer Internet Day

This national event happens next Tuesday and children across school will be improving and sharing their knowledge of the internet on the day. This year's theme is "Together for a Better Internet". Families can find out more at [www.saferinternet.org.uk](http://www.saferinternet.org.uk) where there is a fantastic Parent and Carer Resource section to help you in keeping your children safe online.
