

Welcome to VICTORIA PRIMARY SCHOOL

September 2023

Trips and visitors

A letter will be shared detailing the trips and visits for your child. Dates and approximate costs will be included and a payment plan can be agreed with the school office. We work hard to ensure that we get the best value for money at the lowest cost so that all children experience vital cultural capital for their development.

School Calendar

We have a new calendar that updates onto the website immediately. This means that as soon as something is planned, you can be informed. We are rapidly putting the Autumn term's events onto it for you.

This includes Parent meetings, supporting families, MHST, Christmas and Diwali events that we are planning.

WELCOME

A message from Miss Froggatt

Welcome to a brand new school year! Pupils returning have really got stuck into their learning, working hard and being kind.

All of the staff have noted what exceptional attitudes the pupils have had towards their learning and are excited for a busy and excellent year.

You asked, we listened: In our parent survey, conducted in the Summer term, many of you mentioned that you would like more advance notice of events and better communication. In the boxes on the left, there are ways that you can keep up with what is happening in school.

Newsletters

You will receive a half termly newsletter from the class teachers of the phase that you are in.

You will also receive a monthly newsletter for the school. Key information and dates will be included on these letters.

Bulletin boards

We have 2 bulletin boards- one next to the office and one next to the staffroom. All key information such as dinners, newsletters, community events, etc. will be shared on these boards. Would you like one next to the gate? If yes, please let us know.

Text messages and emails

We are now paperless. Our longer communications will be shared with you by email. Shorter and more urgent communications are texted. Please ensure that school has the right contact information for you.

Social Media

We publish a great deal on our Instagram and X accounts. Please follow to see what is happening in school for your child.

DATES FOR YOUR DIARY

WE NEED YOU!

We are always looking for volunteers to help in school. Would you enjoy listening to children read? Would you love to go on a school trip (we pay for you)? Do you do an interesting job that you can tell the children about? Interested in Governance? Please let us know, we would love for more of our parents to be involved if you can!
