

VICTORIA

Primary School

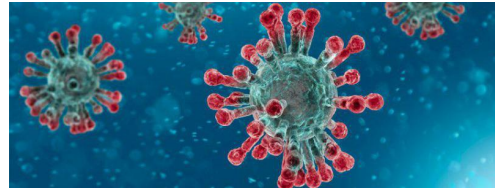

School

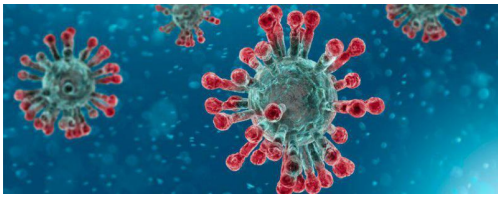

is

closed.

?

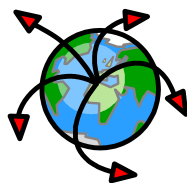

What is Coronavirus?

Coronavirus is an illness.

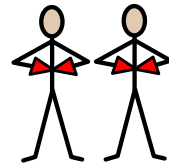

It is making people ill

all over the World.

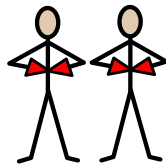

Why is school closed?

Mr Gray helps to keep us

safe. Closing the school will

help to stop us getting ill.

How

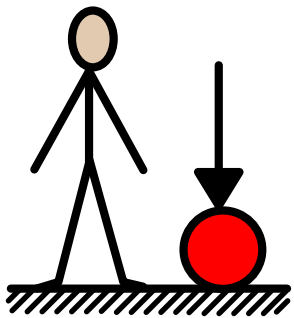

can

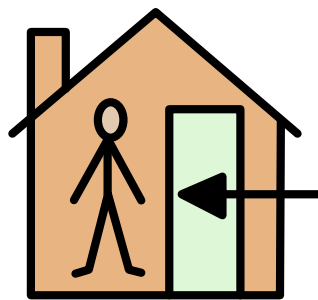

I

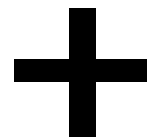

stay healthy?

Stay

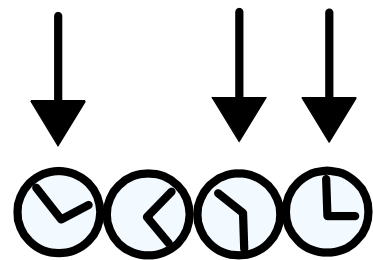

indoors

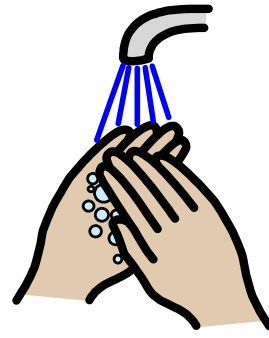

and

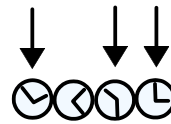

wash your hands

often.

How to wash my hands.

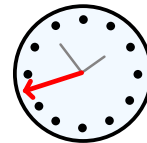

Wash your hands often.

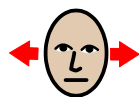

Use warm water and soap.

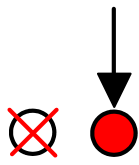

20

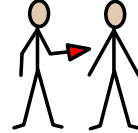

Wash for 20 seconds.

Try not to touch your face.

Help other people stay healthy.

Cover your mouth when you cough.

Use your sleeve or a tissue.

Throw used tissues in the bin.

Wash your hands again.

When will

school

open?

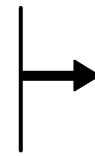

Mr Gray

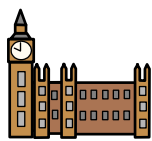

will follow

advice

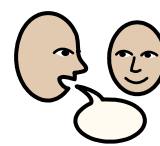

from the

government

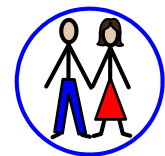

+

and

will

tell

adults

when

school

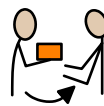

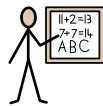

will be

open.

What can I do at home?

Your teacher will give you some

work to complete.

++

+

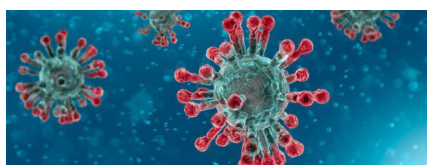

You can also read, draw and

make crafts.

? I get Coronavirus?

It is unlikely that you will get

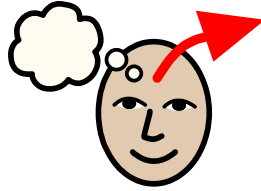

coronavirus. If you do, you may

feel a little poorly but you will get

better.

Remember!

+

Wash your hands and cover your mouth

when you cough.

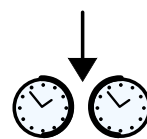

You will be okay.

school

will be back to normal

soon.
