

Nursery Darwin Class Newsletter: 19th April 2022

Dear Parents / Carers

Welcome back after the Easter break.

Our topic this half-term is Countries of the World.

This is a wonderful topic to explore the diversity of our families in the Nursery. Together we can explore languages, traditions and customs, foods and many more exciting things; helping children to understand, appreciate and celebrate the similarities and differences in the world around them.

This term we will learn more about different sounds (phonemes) that make words. We will learn new rhymes and songs (not only in English!) and will continue learning to write our names.

In our maths activities we will be sorting, counting and measuring different objects. Please use our **Maths Leaflet** for suggestions of how to help your children enjoy and learn basic mathematical concepts with you (more copies in the cloakroom).

Thank you for using our Library and sharing books and stories every day with your children. Additionally, every Friday we will hold Stay & Read sessions so you can now enjoy a story time with your child in the Nursery class.

On May 24th we will organise a **Family Picnic** in our school garden. We are planning to prepare some exciting international snacks, drinks and games which we would love to share with our parents and carers.

Thank you for your support!

The Nursery Team
