Newsletter: 6th June 2024

Welcome back to school for the final half term of the year! We hope you enjoyed the break last week and we are excited to see what the end of the school year holds for the children.

Our topic this half term is "On the Stage". The children will develop their creativity, imagination and communication skills through music, dance and drama. We have prepared a range of activities such as variety of dressing up clothes, a stage outside to perform, a puppet theatre and musical instruments, to mention just a few.

We will hold a Dressing up Day where children can come to school dressed up as their favourite characters. We are also planning to perform songs and dances for the residents of Carroll Garden Residential Home. During the last week of the school you will be invited for our special Nursery Graduation ceremony.

Attendance & Being on time

It is SO important that your child is in school **every day and on time**. Please ensure you arrive at 9:00 so that children do not miss out on their learning, and so they have time to settle in with their friends each morning. If you arrive after this time, please go to the main school office to register your child.

Sun safety and appropriate clothing

As the weather begins to get warmer, we want to ensure that the children are protected from the sun. Please apply the sun cream in the morning and the Nursery staff will make sure that the children are not exposed to excessive sun during their play. Additionally, please remember not to dress children in flip-flops and sandals with open toes to prevent any injuries during the play.

Forest School

Forest School – **Fridays** – children need their wellies/trainers and weather-appropriate clothes like coats or sun hats.

Reading

Please ensure your child brings their book bag to school every Friday which will be changed on Monday, and that they continue reading at home daily. We are delighted to continue our 'Stay and Read' sessions every Thursday morning from 9:00am. If you are able to, please join us to enjoy sharing a story with your child.

Thank you,
Nursery Team
