

School is closed for most

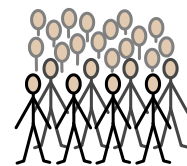

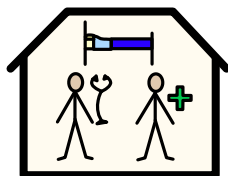

school children. The Prime Minister has

started a national lockdown. This is

because Coronavirus is spreading

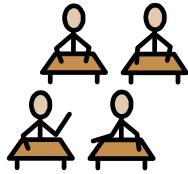

and the hospitals are getting full.

School

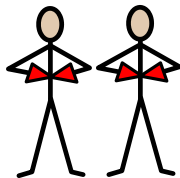

is closed for most

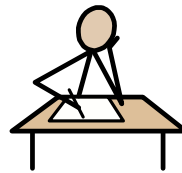

school children

to keep us safe

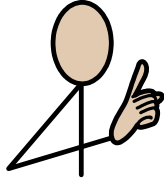

but we will

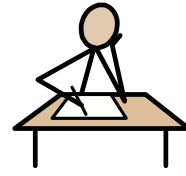

still do school work

at home.

It is important to do

work

at home

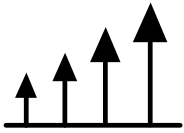

to keep

my

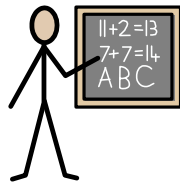

brain

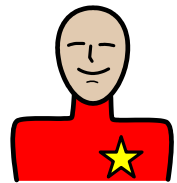

growing.

My

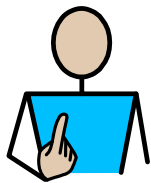

teacher

will be

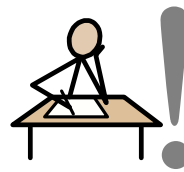

proud

of

me

for

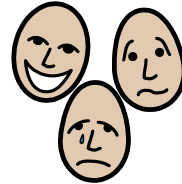

working hard.

I

feel

lots of emotions.

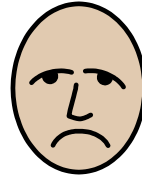

may

ok.

I

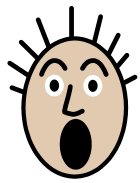

feel sad

or

This is

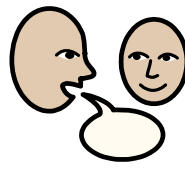

If

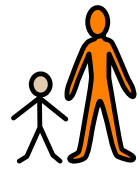

scared,

I can

talk to

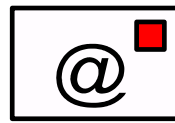

an

adult

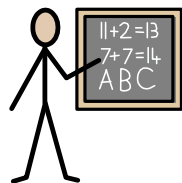

at home

or

send a message

to my

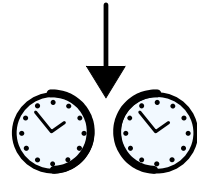

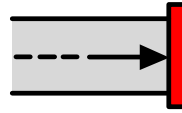

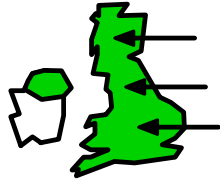

teacher

on

Seesaw.

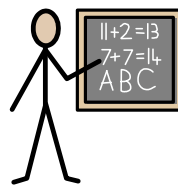

The lockdown will end soon

and I will go back to

school with my friends and see

my teacher.

I will be ok.
