

## Learning Project - Transition to Secondary School.

These last two weeks we will be asking you to reflect on your time at primary school, whether you spent all your primary school years at Victoria or some of them at a different school. You have so many memories and achievements that unfortunately you have not been able to share in an assembly. It would be lovely to see some of these memories and achievements on Seasaw and put them on our Year 6 website. Complete the work below and we will pick some to share on our webpage.

### Maths

Continue with the White Rose maths - the sheets will be posted on Seasaw and the videos are available by following this link.

<https://whiterosemaths.com/homelearning/year-6/>

This week you will be revising angles in triangles and quadrilaterals.

### Reading Challenge

Join the summer reading challenge and enjoy reading new exciting books while earning badges and rewards.

<https://summerreadingchallenge.org.uk/>

### Captain Tom Moore

Complete the comprehension on Captain Tom Moore a hero of the Coronavirus on Seasaw and the webpage.

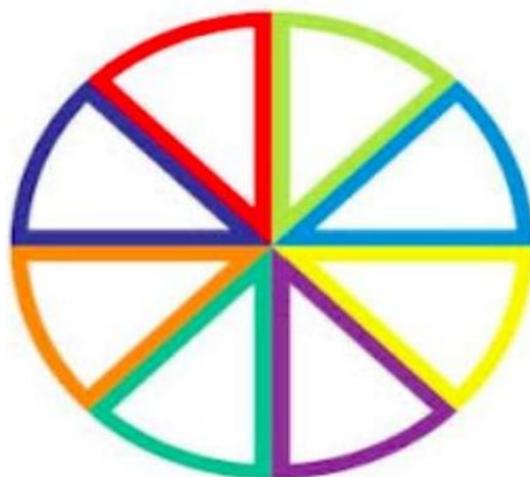

### Wheel of achievement.

You have achieved so much at Primary school and now is the time to celebrate this and think about what achievements have made you proud. Create a 'Wheel of Achievements' that displays your proudest moments. You could label each section maths, English, PE, friendship, hobbies or whatever you decide.

Write a sentence or draw a picture in the wheel to describe what you are proud of. Then decorate it with bright colours.

You can use your own design or use the example to help you.

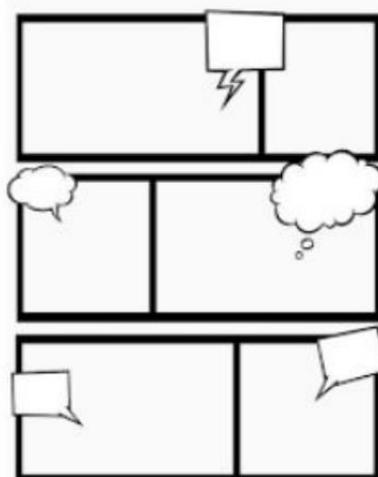

### Wheel of achievement example

### Comic Strip

Some of the best childhood memories are ones that make you giggle. Create an amusing comic strip of a funny moment from your school journey. Use thought bubbles and speech bubbles to bring the comic to life. Use bold colours to bring your comic to life. If you can't think of a funny moment create a comic strip of a moment that is important to you. For example meeting your best friend for the first time or sports day.

A big summer treat is a trip to a theme park so our words this week are theme park related.

Day 1. Find the words.

Day 2. Write sentences using fronted adverbials and the key words.

Day 3. Write a paragraph about a trip to the theme park and use as many words as possible.

Day 4. Use relative clauses in sentences containing the key words.

Day 5. Draw picto words of five of the words.
